Door-to-Door Rides for Seniors & People with Disabilities

Curative Connections provides a door-to-door transportation service within Brown County to adults 60 years and older and people with disabilities, allowing them to lead a more fulfilling, and self-sufficient lifestyle.

Rides are provided to doctor appointments, jobs, grocery stores, social outings, and more. A large vehicle fleet includes cars and accessible vans/buses to accommodate various mobility levels.

The program is staffed primarily by volunteers, which enables Curative Connections to offer rides at an affordable rate.
