### **Curative Connections Limited English Proficiency (LEP) plan**

As a recipient of federal US DOT funding, Curative Connections is required to take reasonable steps to ensure meaningful access to the Transportation Service offered. To do so we will use the FTA’s Four Factor Analysis to design a plan that ensures that our Transportation Service provides equal opportunity to persons with limited English proficiency.

#### **Four Factor Analysis**

##### **1. Determine the number of LEP persons who may be served or likely to encounter Curative Connections, Inc.**

Curative Connections provides a door-to-door shared ride service to Brown County, WI residents who are either/and elderly (over 60) and to individuals with a qualifying disability. According to DATA USA: Brown County, WI is home to a population of 260,401 people, from which 97.1% are citizens. The ethnic composition of the population of Brown County, WI is composed of 211,723 White residents (81.3%), 22,228 Hispanic residents (8.54%), 7,972 Asian residents (3.06%), 6,662 Native residents (2.56%), and 6,027 Two+ residents (2.31%). ##### **2. Determine the frequency with which the LEP persons encounter the program.**

To assist with the language barrier, Curative Connections has a full-time bilingual coordinator to answer calls and schedule rides.

##### **3. The nature and importance of the program, activity or service provided to people’s lives.**

Curative Connections provides a low cost means of Transportation for the elderly and disabled of our community, allowing them to lead a more fulfilling self-sufficient lifestyle. This much needed service is vital to those we serve, for many of them this is their only form of transportation. Curative Connections Transportation Services provides a great number of services that may involve individuals with Limited English Proficiency. To prepare for such interaction, Curative Connections has bi-lingual staff and volunteers who can assist with specific bi-lingual individuals at no cost to the rider. Complaint forms are available in English, Spanish, Hmong, and Somali in the office of transportation at 121 Bader St., Green Bay, WI, and online versions on our website <https://www.curativeconnections.org/>
